

DRAWER Marine Refrigerators & Freezers

When refrigeration makes a design difference!

The Isotherm logo, consisting of the word 'isotherm' in a blue, sans-serif font with a red dot over the 'i'.

Drawer technology for best everyday use

Isotherm drawer fridges and freezers stand for great design and user-friendliness. High-quality material and robust construction ensure long life time. Drawer 49, 55 and 65 are available with stainless steel (INOX), GLASS or customizable door front. New models in stainless steel Drawer 85 & 130 INOX.

New Drawer Customization concept

Indel Webasto Marine provides its customers with even more customization possibilities. On models 49, 55, 65 and 160, it is now possible to customize the door front. The drawer fridge or freezer is supplied with a specifically foamed door ready to be customized, for example, with a real wooden panel supplied by the customer. The panel fixing kit is supplied with the fridge. Thanks to this new technology, it is now possible to select both the finishing of the panel and the handle design, according to the interior of the boat.

- High-tech design
- Blue LED interior light on DR49, DR55, DR65, DR85 and DR130
- Easy access, comfortable to use
- Freezer compartment on 49 and 65, except frost-free versions, on new DR85 and DR130
- Robust drawer mechanism
- Off Shore Lock, for perfect closure at any time

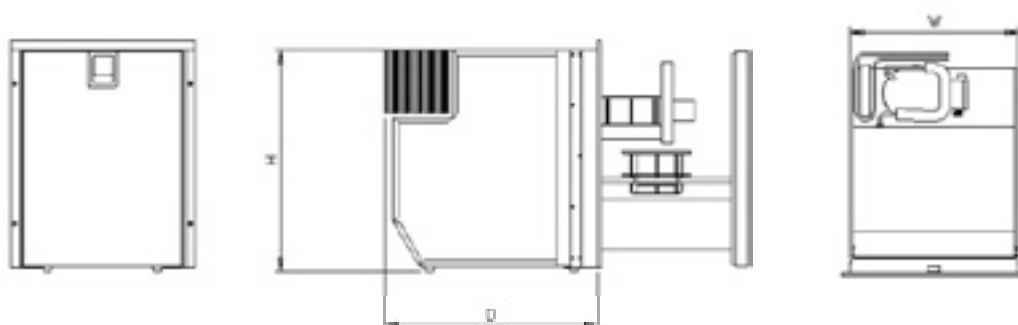

Technical Specification

Type	Volume (l)	Dimensions H x W x D (mm) ¹	Weight (kg)	Power consumption* (W / 24 hours)	Danfoss / Secop compressor type
